

The Ultimate Farkle Game!

Instructions for Playing:

Choose the dice you want to keep and score by selecting them.
Either Re-Roll the remaining dice to add to your turn total,
Save the dice you have already selected and add the points to your
score, or
Quit the game.
You can restart the game at any time.

Rules of the Game:

The first one to 10000 points win.
In order to get on the board in the beginning of the game, the player
must have at least 1000 points for their turn.
If your roll has no dice that can be scored, then you Farkle and your turn
score goes to 0.
